CLOUD NATIVE LANDSCAPE

TOOLS

Provisioning

- Cloud Foundation
- Job Scheduler

Orchestration & Management

- Automation & Configuration
- Service Discovery Framework
- Cloud Native Network
- Cloud Native Storage
- Container Runtime
- Container Registry
- Software Distribution

Runtime

- Language Specific Runtime
- Application Definition
- Rules Engine
- Serverless Framework

Provisioning

- Secrets Management
- Key Management
- Security Compliance
- Vulnerability Scanning
- Identity and Access Management
- Network Security
- Service Proxy
- Service Mesh
- Service Discovery
- Distributed Database
- Streaming & Messaging
- Remote Procedure Call
